## Joint Press Statement

**August 11, 2016**

### **From: World Vision-USA & the Global Alliance for the Rights of Ethiopians**

The Global Alliance for the Rights of Ethiopians (GARE), a non-profit and non-partisan humanitarian organization and World Vision-USA , a Christian humanitarian organization operating in Ethiopia, have signed a Memorandum of Understanding (MOU) for the purpose of channeling financial resources for the famine relief effort in Ethiopia.

GARE has succeeded in mobilizing its grassroots supporters, Ethiopian faith based and community organizations, small businesses and individuals in the Diaspora and raised an additional \$70,000, equivalent to Birr \$1,548,274.

These funds will go a long way to assist those facing significant needs.
